Room 12 - Living & Leading

Every Tuesday, from week 3 of this term, Room 12 has been going out on the oval to meet the Living and Leading Group from Newton Moore Senior High School.

It includes games, cooking and big smiles!

For the first week, we were just getting to know each other. Most people were shy, but a few were outgoing and wanted to get into the action quick. We were getting to know each other’s names and their likes and dislikes. Then it rained so we had to go into Room 14. We played a game called people bingo. We had to find other people who had the same thing as us e.g. same eye colour, same shoe colour etc.

On the second Tuesday, we played with balloons and the first game was not to let the balloon touch the ground. That was hard. The second game was to put the balloon in between your legs and run to the other person who was in front of the team. That was even harder. The third game was to steal all the other peoples “eggs” (tennis balls) and be the team to have the most “eggs”. This was so much fun!

Last week we did some cooking and made damper. We got paired up with the students from Newton Moore and got our bowl and spoon. Max (the instructor) told us how to make damper without utensils. We got the plain flour and self-raising flour and mixed that together with the water. We had to use our fingers and it got a bit sticky! When we finished the teachers put them on the barbecue and we played on the nature playground while we waited for them to cook. We washed our hands and then the damper was ready. We all got a big piece each if we wanted. It was a bit burnt but that made it extra special! The damper was really good and I’m sure that everyone loved it as well. Then we had to say goodbye. That was a bit sad but we knew we would see them next week.

We love visiting the Living and Leading group.

**WELL DONE TO EVERYONE!**
We really value feedback from our parent community regarding our performance as a school.

All parents who have email accounts on our system have received an invitation to complete the Adam Road PS Parent Survey 2016. We have had quite a good response so far but the more completed surveys we get, the better our ability is to determine areas we are doing well in and those that we need to improve.

If you haven’t already done so, please spend a few minutes completing the survey to assist us to continue improve our performance in meeting the needs of students at Adam Road PS.

Thank you to those who have already completed the survey.

As many of you are aware, we continue to have work being done on several major projects around the school. These are progressing well and I believe the results are going to be well worth the disruption we have had.

We are fortunate to have such a dedicated gardener in Mrs Denise Byrne. She is taking this opportunity to redevelop several areas on the school site. With help from her husband and many extra hours on weekends, she already has the area near the Yellow Toilets looking fantastic.

We now have a wonderful outback scene with freshly painted walls, additional kangaroos, a windmill and native plants thanks to her tremendous efforts. She also has big plans for the entrance to our office and two huge grass trees have already been planted.

We are creating a list of guests we would like to personally invite to the school’s 50th Anniversary next March so if you know of anyone who has had a long involvement with our school please submit their name to the front office.

BOOK SWAP

Does your child have books sitting in their room that they have already read? Then bring them in for a BOOK SWAP; it is an inexpensive way for children to obtain new books, recycle books they’ve finished and encourage reading for pleasure.

Students may bring their lightly used books to the BOOK SWAP trolley located outside the library before school or during lunchtimes and swap for others. I.e. bring 2 books take 2 books etc. Students may swap as many books and times as they like.

Swapped books will be kept by students forever, so please make sure your child does not bring a book that they will want back. Books will be accepted under the following guidelines:
• Books must be appropriate for Years Kindy-6 only
• Books must be in lightly used condition: cover on, no rips, tears, or bent edges
• Books with coloring or writing in them will not be accepted
• Coloring books, activity books, and sticker books will not be accepted

Bringing in “lightly used” books to swap for some fresh ones is a great way to get new reading material without spending any money, as well as learning about the value of recycling.

So, start looking for those unwanted but GOOD books!

**PLEASE NOTE:**
The biggest issue we usually face with swimming lessons is changing after the lesson. This is when items of clothing get lost, other people are often using the change rooms and we have trouble finding enough male staff for the boys change rooms. To counter all of these issues we have decided that students will return to school in their bathers with a towel wrapped around themselves. They will them get changed at school. We are fortunate that we are so close to the pool it is only a short trip back to school.

With the end of term and school year approaching we are now calling for all Library books to be returned as soon as possible please. Thank you to those who have already returned their books. The library is open from 8am-3.30pm for returns. In the event that books are unable to be located, then payment to help towards the cost of replacing the book/s would be appreciated. If you have any questions regarding returning the books please call and discuss with Mrs Taylor in the Library.
