Students and teachers alike had a fantastic time at the first ever Colour Run, which was held by the P&C, in conjunction with the annual Lapathon. Funds raised totalled $4270.70 which will go towards the new playground!
ADAM ROAD PRIMARY SCHOOL 50TH ANNIVERSARY
Donate-a-Book

Be part of the 50th Anniversary celebrations by taking the opportunity to donate a book to our school library. By donating a book you will be supporting our library maintain its outstanding and varied collection, helping our students to develop a lifelong love of reading.

A selection of books that cover areas of special interest to the children; provide new materials in support of curriculum areas; and enhance our collection will be displayed in the library in the lead up to, and on the open day.

Books are available now and you may come to the library to select a book that your family may like to donate. Books will range in price from $10 to $30. Alternatively you may like to purchase a new book to donate to the library (please choose books appropriate to 12 years and under).

Books donated will feature a book plate at the front acknowledging the donor’s family. These books will then be made available for borrowing by the donor family first.

Please see Mrs Taylor in the library for further details or enquiries. What a wonderful way to be remembered at Adam Road Primary School!

Look what Pre Primary 3 ran into on the way to swimming!

Congratulations to Room 6 for their wonderful assembly item last Friday!
We have had a very productive year at our school this year. It has been particularly pleasing to see major projects like the Nature Playground, toilet refurbishment, car park and new classroom furniture all being completed this year.

We have also improved signage around the school and are redeveloping our entrance with a new native garden. The completion of this work will see us presenting ourselves in the best possible manner for our 50th Anniversary in March next year.

We have also introduced the Argonauts Program to challenge our more able students, further developed our Science Program with the move to the Science Lab in Room 20 and continued to expand access to appropriate technology that supports learning in a variety of curriculum areas.

Our choir has been invited to perform at a number of significant community events including the Police Remembrance Day Service and this year’s Community Carols at the Graham Bricknell Music Shell. We again hosted the biggest primary school sporting event of the year with over 600 competitors competing in the Interschool Cross Country.

There is more to look forward to when the P&C host the usual end of year event which will show case art work completed by our students throughout the year. The P&C have once again done a wonderful job of raising funds and supporting our school in many ways during the year.

The School Board has taken an active role in reviewing school performance and setting direction for the future. We are planning on further enhancing the role of the board and increasing its membership in 2017.

I would like to take this opportunity to acknowledge the great work done by the school staff this year. We currently have a good blend of experienced and younger staff members who all are prepared to put in the extra that is required for us to maximise the learning opportunities we provide for each student.

I will be finishing on Tuesday 6th December this year as I am travelling to the USA to see my son graduate from university on Sunday 11 December. Mr John Duzevich a recently retired and very experienced School Principal will work with the two Deputy Principals Ms Murray and Mrs Smedley to ensure a smooth finish to the year.

I look forward to returning next year and working with everyone to achieve another successful year in all that we offer at our great school. Please enjoy time with your family over the festive season and summer holiday.

As the library is now closed for the annual stocktake the BOOK SWAP, is an inexpensive way for children to obtain new books, recycle books they’ve finished and encourage reading for pleasure.

Bringing in “lightly used” books to swap for some fresh ones is a great way to get new reading material without spending any money.

Students may bring their lightly used books to the BOOK SWAP trolley located outside the library before school or during lunchtimes and swap for others. I.e. bring 2 books take 2 books etc. Students may swap as many books and times as they like.

Swapped books will be kept by students forever so please make sure your child does not bring a book that they will want back. Books must be appropriate for years Kindy-6 only and books must be in lightly used condition.

With the end of term and school year approaching we are now calling for all Library books to be returned as soon as possible please. Thank you to those who have already returned their books.

The library is open from 8am to 3.30pm for returns. In the event that books are unable to be located, then payment to help towards the cost of replacing the book/s would be appreciated.

If you have any questions regarding returning the books please call and discuss with Mrs Taylor in the Library.

There are a number of items in the lost property area at school which is located outside the Art Room. Please check that they don’t belong to your child as any remaining items will be donated to the Uniform Shop or charity at the end of the year.

Etch your name in our schools history!

Up to 36 characters per paver over 3 lines (max 12 characters per line including spaces)

Forms available from the office. Please return it completed with payment (cash only) to the office by 3pm Tuesday 13 December.

Pavers will be available to view on our Open Day, Sunday 12th March 2017.
