FROM THE PRINCIPAL'S DESK

Welcome to Term 2! I hope that everyone has had a great start to the term – I know we have certainly had some excitement and joy to be back at school.

Over the last few weeks we have had the pleasure of taking our Year 5/6 students to Hay Park for their Winter Carnival. I had the privilege of coaching one of our AFL teams which gave me another great insight into the culture of our Adam Road students. Throughout the day, I received so many beautiful comments from spectators, teachers and students from other schools about our sportsmanship and the way that we participated. This is one of my favourite moments as a Principal – our students receiving recognition for being the wonderful people that they are. I would like to thank all of the staff and parents who supported this event – certainly a day that our students will remember.

During the last 5 months, we have of course experienced many challenges with our response to COVID as a community. But I am really pleased to say that as a community, our focus on teaching and learning has always stood tall. On the last day of Term 1, our staff

met for a planning session to discuss our direction and aspirations for the next 3 years – which will form the basis of our Business Plan. This plan will drive our focus and attention. We have developed a plan with four focus areas which relate to our Adam Road Primary School Beliefs. Over the next few newsletters, I will showcase these areas, and invite feedback from parents. I also look forward to meeting with our School Board on Monday night to further discuss how our Beliefs look in our classrooms.

Over the next few weeks, we are busily beginning to prepare our Student Achievement Reports for Semester One. We are also getting started on planning our Faction Cross Country, and of course, our joy in hosting the district Interschool Cross Country towards the end of the term. All this plus more in our busy Term 2.

As we continue to manage a range of COVID challenges, please keep an eye on school communications in the coming days for details around how you can collect your family allocation of RATs, and other important COVID updates.

Stay well,
Cathy Allen

WHAT DOES A YOUTHCARE CHAPLAIN DO?

YouthCARE chaplains care for the social, emotional, mental, and spiritual wellbeing of students, families, and staff in state school communities throughout Western Australia.

Our chaplains are available to listen compassionately, refer to extra help where necessary and run programs which not only address issues but create positive cultures within schools.

P&C NEWS

The committee has had a busy start to Term 2. We held another successful Mother's Day Stall and we hope that all the special Mums, Nans, Aunties and Carers received a gorgeous hand picked gift! We sold over 500 items this year as once again everyone exceeded our expectations. I'm thinking my rule should be double whatever we ordered last year then double it again!?

A big thank you to our plant guru Siti Westbrook for her contributions from her amazing garden!

We were also very grateful to Mrs Franco for her planter donations and for the beautiful crochet blankets for our raffle. These were complimented beautifully with some chocolates and fabulous donations from the Winn family - soy melts, candles, macramé and cute

toadstool ornaments. Thank you!

Our very lucky prize winners were:

- 1st Willow • 2nd Brock • 3rd Isla

DRUM ROLL PLEASE!

Big news for our canteen... We are going online. Over the next few weeks we will be launching an online ordering app called Qkr! It's run by Mastercard with no third party involvement so your details are safe and ordering is very easy. A few schools in the Bunbury area use it successfully and we hope that Adam Road families will get behind this to make our canteen even better. We have been working behind the scenes to create a smooth transition and will send out some easy set up guides when the last of the technical glitches are sorted.

We have our next P&C meeting on

Friday 13 May at 1pm (room 17) and would love to see as many committee members new and old as possible so we can organise our upcoming events. We are also looking for community members who may not want to be on the committee but would like to help in the uniform shop, canteen or even the interschool carnival sausage sizzle. Please get in touch if you can lend a hand for an hour or so- it takes the pressure off the committee and our kids love seeing us involved at their school.

As soon as our next events are confirmed at the meeting we will post info on our Facebook page so make sure you are following along.

Thank you for your support,

Tarin Collins

President

Concludes at 6pm with an opportunity for questions.

What is the MASH Program at Newton Moore SHS?

The Moore Academy of Sport and Health (MASH) program offers talented sportspersons the opportunity to enhance their knowledge, understandings and sporting skills, (in traditional and non-traditional sports) through a high performance program. Combining practical and theoretical components, the MASH program enables athletes to be more confident, capable and passionate about physical activity now and into the future (Achieving Today for Tomorrow).

Sport has always been a vital part of the traditions and values at Newton Moore Senior High School. With a history of success, the MASH program continues to enable students to represent our school to the best of their ability. This includes school events such as Interschool Athletics, Swimming and Cross Country, as well as Lightning and Winter Carnivals, and Country Week. The physical education department are passionate and committed to the development of students, encouraging them to set and achieve their goals. We aim to empower, challenge and motivate our MASH athletes, inspiring them to lead an active and healthy lifestyle throughout their lives.

The MASH High Performance program is about much more than talent in sport. Embedded within the program are the values of teamwork, leadership, strategic thinking, decision making, fair play and maintaining a positive relationship with our community. The MASH program aims to enhance and support our students in their sporting journey, providing them with opportunity to practice various skills and strategies, develop understanding of coaching and officiating, whilst also respecting the environment, resources and their peers.

COME TO OUR BOOK FAIR!

SCHOLASTIC

BOOK FAIR 2022

Our school is looking for volunteers to help us hold an incredible Book Fair!

The Scholastic Book Fair will be at our school Week 5 - 23 May to 26 May 2022. Book Fair provides a wonderful opportunity to purchase good quality books at very reasonable prices. It is a great chance to make purchases to be put away for future presents. Book Fair is the only fund raising venture that our school library holds.

If you have some time to help with the Book Fair, please complete the form below and circle the areas where you would like to help out. Please return the form to me in the Library. Alternatively phone or email me to let me know if you can help.

Sincerely,

Mrs Taylor, Book Fair Coordinator

At times all parents feel lost or without a clue about what our child might need from us. Imagine what it might feel like if you were able to make sense of what your child was really asking for you. The Circle of Security® Parenting™ program is based on decades of research about how secure parent-child relationships can be supported and strengthened.

Learning Objectives of the Training:

- Understand your child's emotional world by learning to read their emotional needs
- Support your child's ability to successfully manage emotions
- Enhance the development of your child's self esteem
- Honor your innate wisdom and desire for your child to be secure

TUNING IN TO TEENS Parenting Workshop

A FREE 8 SESSION PARENTING PROGRAM FOR PARENTS OF CHILDREN AGED 10-18

WOULD YOU LIKE TO LEARN HOW TO:

- Communicate with your teen more effectively?
- Help your teen develop coping skills and resilience?
- Learn how to monitor mood and behaviour through these difficult emotions?
- Understand why your teen behaves as they do?
- Help your teen develop emotional intelligence?

RESEARCH HAS SHOWN THAT ADULTS WITH HIGH EMOTIONAL INTELLIGENCE:

- Have better concentration at school
- Are more able to cope when upset or angry
- Have fewer mental health and substance abuse difficulties
- Have more stable and satisfying relationships
