ART IN THE OFFICE

Visit the school office and see the great artwork that students from Years 3 and 4 have done.

FROM THE PRINCIPAL'S DESK

Kaya

The start to term has been a very busy one for us here at Adam Road. We are excited to have celebrated NAIDOC Week this week, with all classes participating in a range of activities. I would like to acknowledge Mrs Henderer and Ms Elward for their efforts in organising this week. I had the joy of attending our Term 3 P&C Meeting on Tuesday, where we discussed some exciting events and activities coming up. It is always exciting to hear the P&C's vision for the remainder of the year.

We are obviously in a phase where COVID remains an impact, and is in fact escalating again in infection numbers in our community. We encourage everyone to consider the public health advice, and support us in maintaining a safe school environment. Having said that, we are keen to ensure that our school remains focused on teaching and learning.

In the coming weeks, we will begin our training for Faction Carnival, and we will also celebrate Book Week. It is exciting that at this stage, we are planning a Family Picnic alongside our Book Week parade. More information will come out shortly about that.

Our PBS Focus Behaviour this week has been "We Bounce Back" which falls under our value of Resilience. Focusing on Bounce Back is really important for our students. In everyday life, we have challenges, failures and things that don't always go as we expect them to. When our children bounce back from these events and are able to face them, we should celebrate and reward those efforts – they are not always easy!

Over the next few weeks, we are looking critically at our digital communications with parents. We have received a lot of feedback this year about the use of text messaging, and the removal of the School Star app. We are looking to provide parents with a clear overview of our communication strategies. If you have anything you would like us to consider about this, please feel free to let us know.

I wish everyone a safe and happy week – Boorda

Stay well,
Cathy Allen

ENGINEERS WITHOUT BORDERS

During Week 9, Term 2, on Monday 20 June and Wednesday 22 June Adam Road Primary School had an organisation called Engineers Without Borders visit our school. Children in Years 3 to 6 participated in various STEM workshops to highlight skills utilised by Engineers. This involved working co-operatively to solve a real world problem utilising limited resources. Children were required to think creatively and problem solve their design to try and achieve an outcome, which groups compete for in the final testing of their design. No prizes were involved other than internal satisfaction which can be seen in the photos.

The workshops were run by volunteer engineering students who gave up a week of their semester break to conduct workshops throughout the South West. So a big thankyou to our Engineers – Jayden, Audrey and Juston from UWA. They obviously enjoyed interacting with our students and were impressed with some of our groups problem solving abilities. Our school certainly had the highest numbers of marbles in the Appropriate Housing workshop.

On Monday, Rooms 8,7,12 and 13 constructed blades attached to a cork. These were inserted onto the shaft of a motor and placed in front of a fan. A voltmeter then measured the number of volts produced by the blade design. Children had to decide how many blades to use, the shape and length of the blades and also choose which material was the best to construct them from. The highest number of volts produced was 0.57V from yellow group in room 12.

The Appropriate Housing workshop was done by Room 18 and 11. Here students had to design a floating house for use by Cambodians living on the shores of Lake Tonle Sap where the size of the lake varies from 1-3m deep in dry season, up to 14m deep in monsoon season.

Some students' designs even looked like houses. Room 18 red group designed a house that held 197 marbles and even came under budget by \$7. Room 11 black group's design held 240 marbles. An amazing number.

Room 21 and 19 participated in a Prosthetic Limb workshop. This was a very tricky build but groups worked amazingly well, with several groups all achieving 20 complete steps on their prosthetic limb.

Room 19

Room 21

LET'S BUDDY UP!

Students from Room 21 (Year 6) have been 'buddying' up with the Year one students from Room 2. We have made new friends and learnt new skills.

Our first visit included an activity on paper weaving. The senior students taught the year ones how to weave and created terrific placemats that they decorated with their favourite pictures.

Our second visit involved taking pictures of each other and then writing stories- using digital technology. We also played Numero and the dice game which was really exciting!

Our final visit for the term saw the senior students hosting a Teddy Bears' picnic where all students were able to ice biscuits and decorate them. We also drew some large chalk drawings on the path to practice our letters and played musical bobs! Sharing the learning!

LIBRARY NEWS

BOOK WEEK – 22-26 AUGUST 2022

Each year, Book Week is celebrated throughout schools and public libraries across Australia. The week sets out to highlight incredible Australian authors and illustrators, and the joy that is reading.

To celebrate our love of books and reading. All students are invited to dress as a book character, author or something relating to the theme 'Dreaming With Eyes Open' for our Book Parade on Tuesday August 23. Students are encouraged to bring their book along to school with them if possible. Costumes do not need to be elaborate and can often be created from items already found at home.

Parents and Caregivers are invited to attend the Book Parade at 12.45pm followed by a Family Picnic at 1.15pm.

DREAMING WITH EYES OPEN – DREAM JAR COMPETITION

Calling dreamers big and small... Dream a little Dream Jar

The BFG captures dreams and stores them in dream jars before blowing them into the bedrooms of sleeping children.

Enter for a chance to win a prize. To take part in Dream Jar Competition.

1. Look around your home for an empty jar or bottle. A recycled jam/vegemite jar is great.
2. Design a dream and put it inside the jar. Any Dream Jars with liquids inside MUST be properly sealed to prevent leaking all over the library.
3. Label your Dream Jar with what the dream inside is about! Don't forget to put your name and classroom.
4. Bring your Dream Jar to the library for display.

Competition closes Friday August 26

FREE BOOK OFFER!

We are giving away FREE books on Issue 5 to help you grow your home library!

Receive	When you spend over
1 Free Book	\$30
2 Free Books	\$50
3 Free Books	\$70

If you have any queries please contact Mrs Taylor in the Library.

Better Beginnings Parent and Family Story Time Presentation

As part of our Book Week celebrations the library will be holding a Better Beginnings Family Literacy morning for Kindy Students and their families. After story time the Kindy students will receive a take home 'Better Beginnings' home reading pack, which includes a free picture book. This presentation will be held Tuesday 23 August at 9am for ALL KINDERGARTEN students and their families, here in the library.

More information about Better Beginnings including access to free resources can be found at

<https://www.better-beginnings.com.au/>

PJ DAY

Thank you to everyone who enjoyed wearing their comfy PJs and donated a gold coin on the last Wednesday of Term 2. We raised a whopping \$442! A record for our gold coin collections. Well done Adam Road.

Uniform Shop

In Term 3 we will have reduced Uniform Shop hours. The Uniform Shop will be open on **TUESDAY ONLY** from 8.15 am to 9.15 am. Great news - the QKR Uniform Shop is live. You can now purchase uniforms online at any time via QKR. Orders placed via QKR will be delivered to classrooms every Tuesday and Thursday morning.

THE LUNCHBOX

If you visit the canteen say hello to our canteen manager Siti who is filling in while Pauline takes a well-deserved break. Siti has her training wheels on and is assisted by volunteers so please be patient. Some of our regular items may not be available for a short while. Don't forget to download the QKR app for easy ordering!

PIZZA DAY

Will be held in Week 3 on Tuesday 2 August. For \$6 students will get two slices of Dominos Pizza and a drink. Pre orders only- simply order your Pizza Combo on the QKR App. You will find the Pizza Day Menu under the Special Event tab. Order cut off is midnight on Wednesday 27 July.

QKR is the preferred method of payment and ordering. We thank you in advance for using QKR as it saves our P&C volunteers many hours of work.

For CASH ONLY payments an order form and correct monies are to be returned to the Lunch Box by 9am Wednesday 27 July. Order Forms are available at the Lunchbox, front office or by printing the attached image.

NO LATE ORDERS ACCEPTED so jump onto QKR to order and you will go into the draw to win back your \$6.

Adam Road Primary School P&C Pizza Day
CASH ONLY Order Form

So bring a gold coin donation and come to school in your best pirate costume or pirate inspired outfits.

Please follow us on our Facebook page **Adam Road Primary P & C Association Inc.**

Adam Road's Got Talent

2022

Can you Sing? Dance? Play an Instrument?

AUDITIONS: During Music in Week 5
(Monday 15 Aug to Friday 19 Aug)

WHOLE SCHOOL SHOWCASE:
11.45 Friday 9 September
Adam Road Assembly Area

(Featuring unique and entertaining acts selected from the auditions
As well as the Year 6 Band and Choirs)

This is your chance to show your class and school your own unique talent.

Your act could include:

- ◆ Singing ◆ Piano ◆ Guitar ◆ Acting ◆ Dancing ◆ Comedy
- ◆ Gymnastics ◆ Poetry ◆ Trumpet ◆ Acro ◆ Other instruments

Start rehearsing now and come prepared to show your class your talent during Music class in week 5.

Acts should be less than 2 minutes. Aim to keep it short and sweet (1 minute) where possible.

You may perform individually or with a group.

Make sure you bring everything you need to perform (costumes, instrument, music etc.)

Entry forms are available from the Music Room. Please return these to Mrs Smith by the end of week 4.

SWIMMING CLUB**

And you never know, you might just be the next big thing to come out of Bunbury

On August 1, Scouts across the world will be celebrating 115 years of scouting!

We will be celebrating by wearing our scout scarves with pride to make the 'spirit of scouting' visible.

We wear our scarves on this day to honour and celebrate the very first scout camp on Brownsea Island in 1907, run by Sir Robert Baden-Powell, a brave man who founded the Boy Scouts Movement. The Scout Movement (once called Boy Scouts Movement) is a worldwide youth program which uses the Scout method to teach children practical skills called OAS (Outdoor Adventure Skills) that can be applied in many situations and scouts work towards earning Milestone badges.

Scouts wear their scarves for an important reason, as they have multiple hidden purposes, other than just a neck piece and identification. Scarves come in handy in almost all situations in scouting, whether you're in the bush or in the city. They can be a sling, a bandage to stop bleeding, a mask, a blindfold, and ropes! Our most common use for a scout scarf is to keep sunburn off skin and to identify a troop when accompanied by other scouts. We invite any students who are scouts, cubs, or joeys to wear their scarves and teach other students about the scouting ways.

Lola Kelly, Carey Park Scouts
