Our Annual Book Fair is now on!

Come along to the library and see a huge variety of books for all ages as well as stationery, posters and puzzle books for sale.

**FINAL DAY IS THURSDAY**

8.00am-3.30pm

Cash and EFTPOS facilities are available. Book Fair provides a wonderful opportunity to purchase good quality books at very reasonable prices.

It is a great chance to make purchases to be put away for future gifts.

A percentage of the takings comes straight back to our school, which will go towards purchasing many of the books from the Fair for our library.

Book Fair is the only fund raising venture that our school library holds; we hope to see you there.

A group of thirteen students braved the chilly conditions on Sunday morning to take part in the SWAS Fun Run. Twelve students competed in three relay teams running 2.5kms each. Carrie in Year 5 ran in the individual junior girls category and completed the 5kms.

Haylee from Year 6 has tried out and has been successful in the Trials for the U12’s State School Girls Netball team. After one training session along with 100’s of others the numbers were cut to approximately 90 for the main trials on Monday 16 May. After additional trials Haylee was successful in making the final list of 28. Haylee and her family travel twice a week for continuous training until the final announcement on the 12 June.

THE WINNING FACTION WILL BE ANNOUNCED AT ASSEMBLY ON FRIDAY.
National Simultaneous Storytime is held annually by the Australian Library and Information Association. Every year a picture book, written and illustrated by an Australian author and illustrator is read simultaneously in libraries, schools, pre-schools, childcare centres, family homes, bookshops and many other places around the country.

By facilitating National Simultaneous Storytime, we aim to:
• promote the value of reading and literacy;
• promote the value and fun of books;
• promote an Australian writer and publisher;
• promote storytime activities in public libraries and communities around the country;
• provide opportunities to involve parents, grandparents, the media and others to participate in and enjoy the occasion.

Adam Road PS came 7th out of over 28 schools in the 2016 Give a Damn Give a Can.

I have been assured that the long awaited car park on Adam Road will begin construction on Tuesday 7th June. I have also been told it should only take two to three weeks to complete. This area will obviously be out of bounds for all during that period.

Once completed it will have 59 parking bays and a dedicated “kiss and drop” area to both drop off and collect students. This is an extremely effective way of getting children to and from school and should alleviate a lot of the parking and traffic problems we currently have around our school. When the project is nearing completion I will send home a map with a detailed explanation of how this will all work. As with all cases involving vehicles and children we will all need to remain vigilant to ensure everyone’s safety. We are also installing new signs at the front of our school, Hotchin Street, to direct pedestrian traffic ensuring that we don’t have anyone walking down our driveway or through the staff car park.

It is running season at present with our school cross country this week and the Interschool will be here again this year on Wednesday 22nd June. We also had thirteen runners enter the SWAS Fun Run on Sunday morning. A big thank you to Ms Carolyn Richards for organising this for us and to all the parents who turned up bright and early on a cold Sunday morning. Our students were excellent ambassadors for our school, all wearing school uniforms and competing in the very best spirit. Twelve students competed in three relay teams running 2.5kms each. Carrie in Year 5 ran in the individual junior girls category and completed the 5kms run in 26 minutes, a very, very good time.

Thank you again to all involved.

Mrs Taylor has done a great job turning our library into a book shop with many great and affordable books for our Book Fair this week. We appreciate her extra work in organising and running this event. Your support in buying books results in a big commission of lots of free books that go into our library.

OPPORTUNITY FOR STUDENTS TO EXPERIENCE ANOTHER CULTURE, MAKE NEW FRIENDS AND IMPROVE THEIR LANGUAGE STUDIES AT HOME

In June and July we will be receiving exchange students from Brazil, Czech Republic, Denmark, Finland, Germany, Italy, Norway, France, Japan, Sweden, Slovakia, the USA and the Netherlands. Our new arrivals will live with a host family and attend a local school for 3, 5 or 10 months. As we plan for their arrival, we are keen to hear from suitable families who might be interested to host a student.

Host families come in all shapes and sizes, backgrounds and ages. Hosting an exchange student can be a truly rewarding experience. It allows a family to experience a foreign culture first hand, be exposed to a new language and pass on a bit of our own culture. They might even make a friend for life!

All students have at least basic levels of English, would attend a school in your local area and live the life of a local. Below is a sample of students who will be arriving.

If your students, families or language teachers have any questions about hosting an exchange student or would like to view profiles of students arriving from other countries, they can respond to this email, call our office on 1300 135 331 or visit our www.studentexchange.org.au. Our staff members will be happy to discuss which student might be best suited to their family. No obligation.
