On Tuesday, June 28th, Room 18 celebrated their learning of Balinese arts and culture with an Asian feast.

We were lucky enough to obtain the amazing culinary skills of Mr Wally Yip and his daughter Mandy, who donated their time to delight us with their delicious versions of two Balinese favourite dishes, nasi goreng and mi goreng. Some of the children joined their teachers, Mrs Cross and Mrs Mason, in dressing in traditional costume despite the cold, inclement weather (very unlike Bali)!!

The students learnt many interesting facts, including their Balinese names; they researched a variety of topics for a class website (only available by using the specific website address), created Balinese arts, fantastic posters about Bali and how to be a good global citizen.
Last Friday, students from the Adam Road Argonauts Program (a program for academically talented students) held their showcase event in the Centre Circle.

The term two program had a business enterprise flavour with students having the opportunity to set up their own businesses. This entailed students writing business plans, applying to the Parental Credit Company for a loan to establish their businesses, collecting data from surveys, analysing data and creating computer generated graphs and business cards.

Part of the project involved students voting on a charity they would like to support. The lucky charity was RSPCAWA and Donna (RSPCAWA) came along on the day to support the endeavour.

There was a terrific range of shops from biscuits, lollies, cakes, faction coloured hair accessories and hot packs.

Our highest fund raiser so far is Charlie’s Hot Choccy which made an awesome profit of $127.65.

A fabulous day of learning and fun was had by everyone. Long Live the Argonauts!!

If you think your child has what it takes to be an Argonaut, contact the school office for a Semester 2 application form. (Year 4-6)
Many of you will know that unfortunately our school has been greatly saddened by the loss of one of our students. One of our Year 2 boys was involved in a fatal motor bike accident last Saturday. This obviously has been a great shock for us and his school mates. We have had our School Psychologist, Lead School Psychologist for the South West and School Chaplain working with staff, students and parents to provide whatever support and assistance that was needed. I would like to thank all involved for putting the needs of our students and families first in this incredibly difficult time.

In what is now a well established tradition our school hosted the Interschool Cross Country on Wednesday 22nd June. Once again this was a great success and it has been very pleasing to receive such positive feedback from visiting schools particularly from those who attended for the first time. The scale of the event is quite daunting and to run so smoothly is a testament to the outstanding organisation of the event. A huge thank you to Mrs Sheedy who puts an enormous amount of effort into the is event each year.

I would like to congratulate one of our senior students on her recent success. Olivia (Rm21) has gained a placement in the Gifted and Talented Education (GATE) Program at Bunbury Senior High School. This is the only recognised full time GATE Program outside of the metropolitan area.

Please take time to spend with your family over the upcoming school holidays. I hope everyone has a safe, happy break and comes ready for another busy term beginning on 18th July.

KIND REGARDS

GUY ASSER, PRINCIPAL
Contributions
The total amount of contributions parents and carers are being asked to pay, has been contained within the $60.00 maximum set in the School Education Regulations 2000.
Money collected will be used to supplement school expenditure in the areas listed below. The actual costs per child are shown in the table beneath. While Contributions are voluntary, the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth Governments.

BUZ Friendship Factory Camp

This is a great camp to help kids make and keep friends, sort out fights and believe in themselves.

This is a very positive program that will include role play, craft, teamwork, activities and games. Run by a team of screened leaders under the leadership of Mimi Mertiman.

BUZ Starz – Performing Arts Camp

A 4-day creative and performing arts camp to build self-confidence and personal mastery skills in kids. On the last evening of the camp, there will be a concert, bringing together the creative work of the program. Run by a team of screened leaders under the leadership of Courtney Norrish.

By being involved in a BUZ camp it is hoped that each child will connect with others in a positive way, strive to be a better version of themselves and build essential life skills.
