FACTION SWIMMING CARNIVAL

On Friday February 25 the Faction Swimming Carnival was held at the South West Sports Centre for years 4-6 students. This year looked a little bit different with the focus being on the swimming races. Students nominated for a race with the choice of 25m or 50m events. All students had an opportunity to swim freestyle, backstroke, breaststroke and some even took up the challenge of the difficult stroke, butterfly. It was an incredible afternoon and giving our newly elected Faction Captains a chance to lead their factions proudly. Mar came out on top for the second year in a row with a total of 163 points, followed by Kep in second place, Kaal in third and Boodja in fourth place. Thank you to everyone who helped make this event possible and most of all to the students for their enthusiasm and willingness to give sporting events a try.

1ST	MAR	163
2ND	KEP	143
3RD	KAAL	124
4TH	BOODJA	119

	CHAMPION	RUNNER UP
YEAR 4 BOYS	Xavier	Henry
YEAR 4 GIRLS	Audrey	Charlotte
YEAR 5 BOYS	Owen	Chayce, Toby and Tyler
YEAR 5 GIRLS	Ava	Madeline
YEAR 6 BOYS	Dustyn	Lucas
YEAR 6 GIRLS	Amelia	Layla

I hope families were able to enjoy a relaxing long weekend – I know that for staff it provided just a short break from the changing environment that is being presented by COVID at the moment.

I would like to thank all families and students for the way in which you are continuing to support the strategies that we are putting in place in response to the health advice and government directions. Our students have responded in an outstanding way to wearing masks in Yrs 3-6, and I know that a lot of this is due to the positive messaging being provided by families.

We are continuing to ensure that we provide as many opportunities as possible to students, including our COVID-safe swimming carnival which was held since the last newsletter. I would like to congratulate all students who participated in this event, and pass on my thanks to Mrs Felicity McGeoch, and Mrs Gemma Knight for their organisation. We look forward to our students representing our school at the Interschool Swimming Carnival next week. This event is going ahead with many

strategies in place to reduce the COVID risk for our students.

As we approach the end of term, and some large events on our school calendar such as our Easter Hat Parade and our ANZAC service, we will continue to work creatively to see how we can ensure these events continue to go ahead. Yes, they will look different. Yes, they will feel different. However it is our commitment to try our very best to work within the guidelines ensuring that these events go ahead in some way. I am confident we can achieve this.

Our amazing students continue to show such resilience and energy across the school. The laughter in our playgrounds, and in our classrooms warms our hearts every day, and this keeps being our focus as we move through to the end of this term. It is a wonderful time to focus on gratitude for everything that we have in our lives – and this can boost our children as they are faced with news of devastating floods, the despair in Ukraine, and of course, the uncertainty of COVID. It is important to continue to talk to our children about being grateful for the small things.

Cathy

Hello my name is Adele Peirce and I am the new School Chaplain.

I am very excited to be part of the Adam Road Primary School community. I am looking forward to meeting and supporting you all. Please feel free to contact me via email or phone if there is anything you wish to discuss.

I am also available Wednesday and Thursday for appointments at the school.

RAFFLE DONATIONS

The P&C is kindly seeking donations of Easter eggs and Easter themed items for our 2022 Easter Raffle.

Donations can be dropped to the office from
Monday 21 March – Friday 25 March.

More details on the raffle and ticket sales will be released soon!

Thank you for supporting our school P&C with all proceeds going towards upgrading our Year 1-6 playground.

**Newton Moore
Senior High School
is now taking
applications for
the DET Academic
Specialist Programs
for 2023**

NMSHS has two Specialist Programs, Science Horizons and Engineering Specialist from years 7 -12.

These comprehensive, enriched Programs are designed to support students who have a passion for the sciences and technology.

The Science and Engineering curriculum is designed and modified to suit the needs of selected students and aims to enhance the capability of students to create and communicate information and ideas, solve problems and work collaboratively.

Contact the school on 97222400 or email lorraine.ellis@education.wa.edu.au to register or to receive more information.

YEAR 6 BAND

Community Project

This term we are working hard to create some fabulous thank you cards for all our health care workers. From doctors and nurses to the paramedics and volunteers we want to thank you for all your hard work.

A big welcome to Courtney and Jasmond!

This term we have welcomed two new educators to our service. Courtney and Jasmond are both working in OSH to get experience while they study teaching at university.

OSHClub News

This past fortnight we have been busy exploring the ocean, the importance of recycling, sustainability and the effect it has on the world around us. We started off by creating some beautiful sea turtles, sharks, jellyfish, starfish and crabs using a range of recycled and new resources. The children seemed to thrive with these experiences carefully manipulating the materials into the correct shapes. We have showcased the children's work by creating a beautiful seascape on the wall.

We have also been working hard on our sustainability through discussions and activities about the importance of recycling. To further promote an interest in sustainability we have also been trying to reduce the amount of single use paper and items with the children helping us brainstorm ideas. Another great way we have been practicing sustainability is by using left over water to water the gardens around the school. These simple but important steps have helped us foster and promote a greater understanding of sustainability and the environment within our service.

These haven't been the only things we have been up to this fortnight! We have also hosted our own talent show, dance party and picnics as well as doing some box craft, painting and beginning to create some thank you cards for all our health care workers.

Coordinator: Chloe Perks
Assistant: Courtney Marshall
Assistant: Jasmond Quick
Our Service Mobile: 0421 705 749
OSHClub Accounts: 1300 395 735

All families must be enrolled to attend the program, remember this is Free!! Please create an account online at www.oshclub.com.au all bookings and cancellations can also be managed via your online account. For on the day bookings please contact the Coordinator direct at the program.

Term 1 – Dates To Remember

WEEK	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
6	7 March	8 March	9 March	10 March	11 March VIRTUAL ASSEMBLY P&C FREE DRESS DAY
7	14 March	15 March INTER-SCHOOL SWIMMING CARNIVAL	16 March	17 March	18 March

On Friday afternoon at 2.15pm we will present merit certificates to students in a virtual assembly. Classes around the school will be joining virtually from within their classrooms to celebrate coming together as a community, and to acknowledge students receiving awards. Parents of those students receiving certificates are welcome to attend in the Assembly Area, provided masks are worn, and physical distancing is exercised.

We look forward to coming together and congratulating these students, albeit in a different way.

Bedwetting

Supporting your primary school child to stay dry

FREE WORKSHOP

Many children start primary school still wet the bed at night.

Usually, bedwetting is not a sign of a major problem, but can cause tension at home.

This workshop explains why children wet the bed and gives suggestion on how to help your child learn to stay dry at night.

Date: Friday 11 March 2022
Time: 9:30am to 11:00am
Venue: Child and Parent Centre - Carey Park, located inside Carey Park Primary School. Parking available on Ecclestone or Frankel Street. 828/829 bus route.
Register: Registration required - maximum of 8 participants to allow for social distancing. Call 9721 6991 or message us on our Facebook page.

This event is free of charge and includes creche and morning tea.
