

PUPPETS ON PARADE

Year Six students from Room 21 combined STEM and Literacy to create and rehearse fairy tale puppet plays for the Junior school.

The plays were The Three Little Pigs, The Gingerbread Man, Little Red Riding Hood, Goldilocks and the Three Bears and Cinderella.

The students made their puppets using socks or sticks and also added to their performances by constructing props and backdrops.

They diligently rehearsed their lines, perfecting voice projection, character expression and correct pace..... and soon the big day came.

On Wednesday October 14 and Thursday October 15, Room 21 was filled with the joy and laughter of children as they enjoyed the performances.

A fabulously creative event!

FROM THE PRINCIPAL'S DESK

Welcome to our first newsletter for Term 4. It is a busy term, with many opportunities to celebrate our students and their individual successes. I'm sure you know that we have our Faction Carnival events next week – with more information to come out late this week for parents.

On Monday, we held a Reset Assembly to discuss our School Values and expectations as we start a new term. We spoke about the rights of every individual to come to school and feel safe, and that this included during play. In particular, we acknowledge that footy, basketball and soccer are all extremely enjoyable games, but only when playing under modified rules at school to keep everyone safe. No-one has the right to make another person feel unsafe, and everyone was reminded about the expectation of keeping their body to themselves. I would appreciate that parents reinforce this message at home, and encourage students to seek help from teachers on duty if they need it to solve a problem that may have come up during play.

Additionally, I would like to remind parents that supervision in the mornings does not commence until 8:15am. This supervision is provided for students where their parents need to go to work, or for another reason which is unavoidable that they are at school before 8:30am. I would like to thank families who direct their children to the Assembly Area for supervision between before 8:30 – it supports our teachers to complete their preparation without interruptions, and ensures our students are supervised and kept in a safe environment.

We are looking forward to a great few weeks with warmer weather, so I encourage everyone to bring their hats to school and enjoy the opportunity to play in our amazing outdoor environments that we have here at school. I am looking forward to my first Adam Road Faction Carnival Week and seeing many parents there in attendance.

Stay well,
Cathy Allen

Give a Damn Give a Can – supported by the Rotary Club of Bunbury Leschenault

Another fantastic effort by the families of Adam Road Primary School. There were over 600 cans presented to Mr Neville Eastman from Rotary at Assembly on Friday 19 September.

The winning class with 63 cans was Room 1, based on students per class they averaged 3.3 cans per person. Close second was Room 13 with 2.8 cans per person. Thank you everyone!

ROOM 13 STORY BOOKS

Throughout Term 3, the Year 4 and 5 students from Room 13 wrote storybooks and this week read them to the Year 1 and 2 classes.
