As part of Room 11’s Mathematics lesson they worked out that 83% of students dressed up for Book Week. Well done everyone!
Kindergarten students and families attended the Better Beginnings Family Literacy morning on Wednesday 24th August in the library.

Mr Asser and Mrs Gaetke read to a captivated audience two fantastic books, “The Cocky who Cried Dingo” and “The Cow Tripped Over the Moon”. Mrs Gaetke spoke with parents and carers explaining the benefits of family reading with children every day.

By participating in the programme, Adam Road Primary School students are able to access a special range of fantastic books and resources available at local Public Libraries. Better Beginnings, sponsored by the State Library of WA promotes and encourages the wonderful and very important experience of sharing books and stories.

Better Beginnings supports parents in reading to children so that they build the early literacy skills they need to become good readers and succeed at school. Each Kindergarten child received a special gift of a pack which included a picture book, library bag and various activities to do with their parents and carers.

For more information, free resources and activities on the Better Beginnings Program you can go to http://www.better-beginnings.com.au/
It is great to see our new car park with the kiss and drop facility being used each morning and afternoon. This has alleviated a lot of the parking issues around our school. The more people who use the kiss and drop area, the less parking congestion we have.

The morning drop off is attracting a lot of users but we would like to see an increase in use for afternoon pick-ups. Once dismissed in the afternoon students can wait on the path beside the car park until they are picked up. Parents may choose to park in the parking bays until their child is on the footpath and can then drive through the kiss and drop lane to collect their child. This means parents can stay in their vehicle and it will also reduce the number of people walking through the car park.

Hopefully the Spring weather will continue next week so that we can enjoy our athletics carnivals. The jumps and throws will be on Tuesday 13th September and the main carnival will be on Friday 16th September. These are always great days so please join us if you can.

Mrs Buckenara has established a school choir this year who have already performed on a couple of occasions. The choir has been invited to sing the National Anthem at the Police Remembrance Day Service on Thursday 22nd September.

This is a great opportunity for the choir to perform publically after all the hard work they have done. I am always pleased when we are able to involve our students in significant community events such as this.
